

How to Share Chart Your Cycle Engaged with Catholic Couples

Chart Your Cycle Engaged is a 12-week, perfectly-paced program that can fit nicely into the marriage preparation period, and the best part for your diocese/parish is that there is NO cost for you to utilize this resource!

Share CYCE with your parish couples when they meet with you and let this next generation of engaged-to-be-married couples participate in a program that was designed with them in mind!

1. Website link

The link to our website page is <https://awesomecatholicmarriage.com/getting-married>. Send this link to your couples as it is, or add it to your website!

Quick insert: Simply copy this code and paste it into your website source code to automatically add the following images to your website, linked to Awesome Catholic Marriage!

```
<a href="https://awesomecatholicmarriage.com/getting-married" target="_blank"></a>
```

```
<a href="https://awesomecatholicmarriage.com/getting-married" target="_blank"></a></p>
```

2. QR Code

QR codes can be used for both digital and physical materials. [Download our QR code through this link](#) or take a screenshot of the image to the right. Upload the image to your website, add it to printed brochures, and have couples scan it with their phones!
